**WYABLE** accounts allow individuals to save and /or invest money without losing eligibility for certain public benefits programs such as Medicaid, SSI, or SSDI. Earnings in a participant's account are not subject to federal income tax, so long as they are spent on "Qualified Disability Expenses." These accounts are not checking or savings accounts, they are investment. Participants who use WY-ABLE will be investing their money into the different options provided by Vanguard Mutual Funds. While funds can still be withdrawn and spent as needed, WYABLE accounts also allow participants to grow their money and to save long-term for disability expenses.

**Lincoln Self Reliance Review April 2019**

In the Afton program we had a very beautiful gentle giant visit us and took quite a liking to the clients.

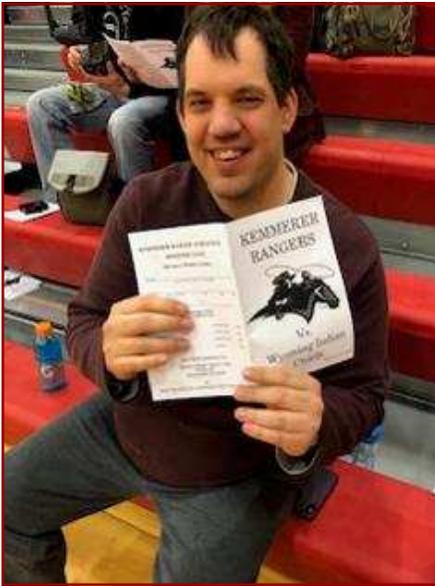

This is how we celebrate Saint Patrick's Day!!  
A fine dinner of Corned Beef and cabbage then an afternoon of playing games!

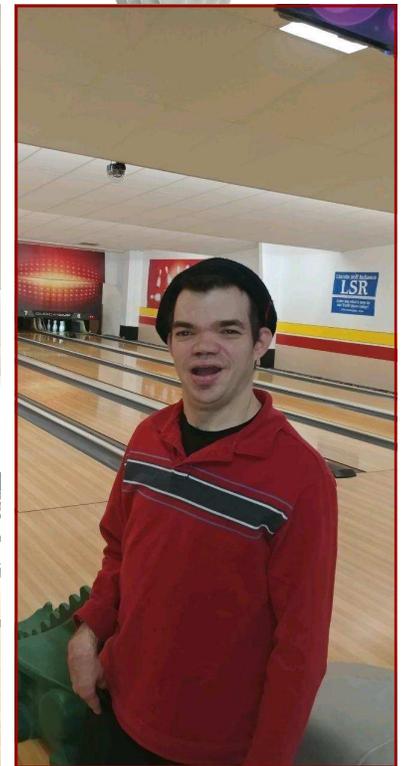

# Mission Statement

It is our mission to provide training and support to individuals with disabilities so they may achieve maximum potential for self reliance and achieve participation in the community.

## Lincoln Self Reliance Review April 2019

The LSR Diamondville folks report “we have enjoyed going out on town days shopping and eating. We’ve worked on life skills each month including cooking lessons.” Some of our other activities include craft days, movie day and going to the museum. In February we had a Valentine’s Day potluck! In March there were days we played basketball. A few of our favorites is playing the wii game, UNO, and BINGO. We also went on a fun trip to Mt. View and Evanston. On Jan 25th Nathan went to the Kemmerer Rangers game and had a great time. The mascot of the Rangers sat with him and gave high fives. Nathan let all the players know they did a great job, although they did lose the game that night.

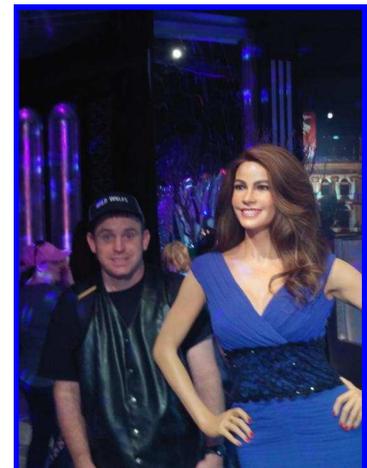

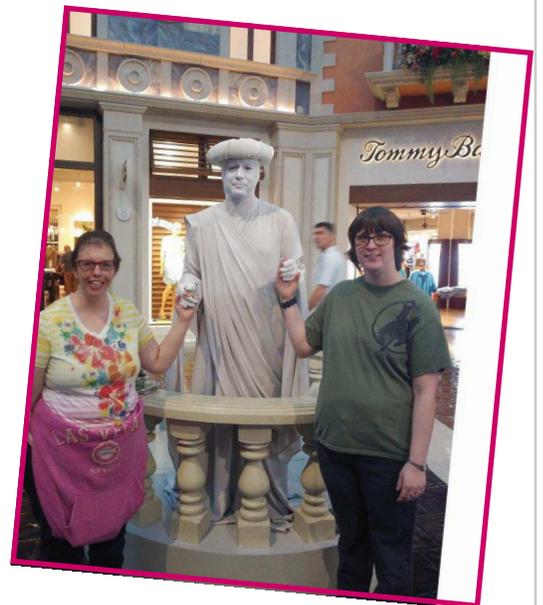

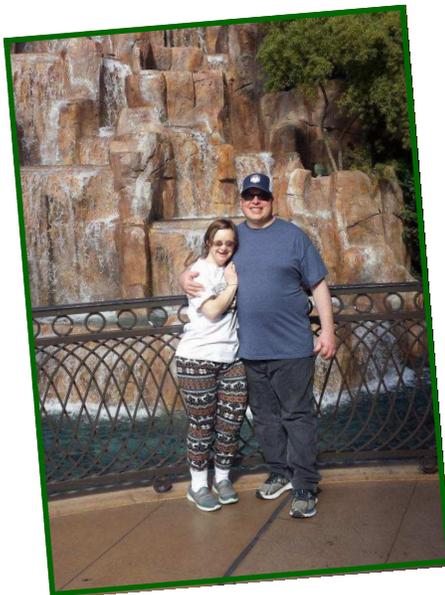

**WHAT GREAT SPORTSMANSHIP THESE GENTLEMEN HAVE DEMONSTRATED!**

**L**incoln Self Reliance, Inc. is a private not-for-profit community based provider for individuals with disabilities. LSR provides Medicaid home and community based services to adults and children with intellectual disabilities and individuals with acquired brain injury.

Lincoln Self Reliance Review April 2019

On March 4th thru the 7th, ten LSR clients traveled to Las Vegas. The clients were from the Thayne, Afton and Evanston programs. This trip was filled with many adventures including mingling with the stars... or at least wax versions of the stars at Madame Tussauds, eating at world famous Las Vegas buffets, visiting Coca Cola, M&M and Hershey stores! The accommodations for the trip were at Circus Circus where we had a blast checking out the shows and arcade. One evening was spent watching the Knights of the Round Table challenge one another jousting while we enjoyed eating dinner with our hands. I think the best part of the trip for everyone was getting out of the snowy cold weather for a few days! We also spent some time on Fremont Street where we saw a number of artists, dancers and vendors. The overhead light show was fun and everyone was amazed and really enjoyed it. Our next big adventure trip will be in September when we will travel to the Grand Canyon!
