

Lincoln Self Reliance October 2022 Review

JACKSON HOLE ADVENTURE RENTAL

When you live in Star Valley summer never lasts long enough, we sure do squeeze every inch we can! Thayne and Afton LSR were invited by JHAR to go on an ATV ride up to Murphy Lake. This ride was so much fun for staff and clients, it rained on us but we didn't let that slow us down! Flying through mud puddles, you could hear the clients squeals for miles!
