

LSR Client Activities

A few of our Afton clients competed in Special Olympics for basketball skills and brought home medals.

Afton and Thayne have been enjoying monthly picnics in the park with the nicer weather. Some have also been doing more outdoor activities like sidewalk art and sun bathing.

LSR Client Activities

Thayne and Afton enjoyed a great trip to The East Idaho Aquarium, where clients got to “pet” stingrays, see birds, snakes, sharks, fish, and even an African Porcupine.

Evanston had a couple unique activities:
