Cindy has two brothers whom she loves very much. It’s always a treat when they show up to visit. Cindy is a wonderful woman and we are so glad her brothers trust in us to care for her.

Mikelle Kocha

We have the privilege of working with Mikelle Kocha in our Thayne Day Hab program. She is a very sweet young woman who brings a smile to everyone's faces. Mikelle likes to build blocks, push her stroller, and have her daily soda pop. We are very fortunate that her family trust us to care for such a beautiful soul.
